

The FOUNDATION *for* LEADERSHIP EDUCATION

OUR MISSION

The *Foundation for Leadership Education's (FLE)* primary objectives are to support leadership education, promote leadership awareness, and to maintain the *Lowcountry Lifetime Achievement Awards* program.

BACKGROUND

The FLE was founded by local leaders of Beaufort County that represented business, community development, education, management, and the military. Armed with a vision to help "Prepare Tomorrow's Leaders," the group committed itself to supporting programs with an unwavering commitment to developing well-rounded, open-minded critical thinkers preparing to be the problem-solvers of the future. In addition, the founders were dedicated to honoring the history of leadership in the Lowcountry by recognizing individuals and organizations that have contributed to the general welfare and development of the community.

PROGRAM SUPPORT

As a result, the foundation is committed to partnering and funding the following project types:

- Scholarships for students at schools or organizations fully committed to providing a full program of curriculum and activities dedicated to developing leadership skills in youth. Such programs must include credit bearing courses that lead to a complete course of study.
- Academic scholarships for students entering college and have demonstrated strong leadership skills in high school. Honorees must be enrolled at an accredited educational institution.
- Community Leadership Conferences and/or workshops for youth and adults.
- The *Lowcountry Lifetime Achievement Awards*. These awards are presented annually in January. The award honors individuals and/or organizations that have contributed to the general welfare and development of the Lowcountry community. Honorees are vetted and selected based on the following criteria:
 - o Community Service
 - o Community Leadership Roles
 - o Community Advocacy
 - o Community Pioneering and Innovative Efforts
 - o Community Role Model

2024 LOWCOUNTRY LIFETIME ACHIEVEMENT AWARDS

On Saturday evening, *January 27, 2024*, the Foundation for Leadership Education will host its sixth annual *Lowcountry Lifetime Achievement Awards* dinner and awards presentation ceremony at the Dataw Island Club in Beaufort, SC. This elegant evening will honor and celebrate local citizens and their lifetime contributions to the Lowcountry as well as recognize FLE's *Lighthouse Scholarship* recipient and *Leadership Grant* awardee. We invite you to join us for a cocktail hour, dinner, and an enjoyable awards presentation ceremony narrated by Brigadier General Barney Forsythe.

NEW THIS YEAR: Following dinner and the awards ceremony, we will extend the evening into a festive "Awardee Celebration" where attendees can mix and mingle with music, dancing, and libations. Dress is Black tie optional.

Tickets are required and we encourage you to sponsor a table of guests. Please fill out the attached sponsorship form, along with the names and addresses of your guests. Guests may check in at the registration table at the event. Individual tickets and Sponsorship packages are also available to purchase online, www.lowcountryleaders.com/event-tickets.

Please confirm Sponsorship level by Friday, December 8th, 2023 to secure placement in all marketing opportunities.
